Foreword

To all the friends of St. Barnabas who for the past 39 years of the church's existence have taken, or are taking a share in making our beloved church worthy of its great living Head, we send you in Christ's name our cordial Christmas and New Year greeting.

It is the daily prayer of your Rector that in the near future God will gather into our church a people to whom the worship of God is as important as the claims of business. There is in every church a faithful few who simply cannot stay away when God's house is open for Divine Service. "I was glad when they said unto me, Let us go into the House of the Lord." Some who may be nearing the end of life are living as careless of the worship of God as though they were heathens who know nothing of a Savior's redeeming love.

Do we place the emphasis of worship on the central fact of the Holy Communion as we ought to do? St. Justin, the Martyr, at the beginning of the second century, describes the worship of the Christians who met at day-break on the Lord's Day, sometimes at the dire risk of their lives to partake of the spiritual Body and Blood of their redeeming Lord, "while they

sang hymns to Christ as God." Every Sunday in our church we may obey our Lord's command, "Do this in remembrance of Me." We also want to see the time when every member of each household will conscientiously set apart a portion of his income for the support of Christ's church and for purposes of charity. "In all thy ways acknowledge Him and He shall direct thy paths." According to circumstances, some could spare a fifth, some a tenth and some a twentieth, but all ought to carefully reckon and pay "to Caesar the things that are Caesar's, and to God the things that are God's."

We are grateful to the subscribers who have made this Directory possible, and we ask our readers to give them a preference when placing their orders.

HISTORY OF ST. BARNABAS'.

On Whitsunday, 1871, through the missionary zeal of Rev. S. E. Smith, Rector of St. Andrew's, West Philadelphia, and his devoted people, the first service was held in a hamlet known as Hopkinsville, near Haddington. In this rented building services were conducted for some months by Revs. Ezra Isaac, T. P. Hutchinson and Mr. J. H. Burton.

In the same year the Rev. Dr. Clerc, warden of the Burd Orphan Asylum,

established a mission service and Sunday school in the building since occupied by the Odd Fellows' Home. Hopkinsville was closed and the children transferred to the new mission. The P. E. City Mission donated a small library and St. Andrew's Church showed a fatherly interest by providing the seats. In 1872 the mission had so prospered that a lot of ground at the corner of 65th and Hamilton streets (100 by 225 feet) was taken by the Bishop and the corner-stone was laid August 23, 1872. A suitable building was planned and erected by Mr. Jeremiah Bonsall (father of Mr. Ed. H. Bonsall, so closely identified with the Sunday schools of our city and this year occupying the distinguished position of President of the Brotherhood of St. Andrew in the United States). It is interesting to know Mr. Ed. H. Bonsall is a St. Barnabas boy. The building cost \$5200 and was subject to ground rent of \$240 per annum. This property passed into the hands of the P. E. City Mission, which soon paid off the \$4000 of debt remaining on the building. Other gifts quickly followed. The bell which to-day calls us to the worship of God was presented by the Rev. S. Durborrow, superintendent of the P. E. City Mission, and Bishop Stevens donated the first Communion service.

During 1875, the Rev. G. J. Burton had the oversight of the work, with

Mr. C. B. Crawford (a student from the Divinity School) as Lay Reader. Mr. Crawford was afterwards ordained and appointed to the Mission. There he labored zealously until 1877. An unfortunate delay occurred in the appointment of Mr. Crawford's successor, during which the services were conducted by Revs. Fugett, Williams and others. Providentially a fitting man was found in the Rev. John G. Bawn, M. A., who took up work in September, 1877, under the fostering care of the City Mission. During the interregnum the Presbyterians started a mission at 63d and Vine sts., and many who worshiped in St. Barnabas' were induced to join, so that by the time Mr. Bawn arrived the Mission was reduced to 17 communicants and the Sunday school to five teachers and thirty scholars. The Mission was burdened with a principal of ground rent of \$4000 and the annual interest had not been paid for some years. The building was incomplete, but Mr. Bawn set to work and soon purchased the ground rent free forever, and completed the building, while Mrs. Bawn collected money to procure an organ. The church now being free of debt was consecrated by Bishop Stevens on November 26, 1882. Mr. Bawn now set his heart on the erection of a rectory and ground was broken for such on June 4,

1883, and it was finished and occupied in the following November. Gifts of material and labor equal to \$1000 and an actual expenditure of \$2000 made the total cost \$3000. All this was wiped out in two years. A legacy of \$1000 was bequeathed to the church for the support of the Rector by the late Mr. E. Edmund Norris. He had previously donated our present stone baptismal font in memory of his sister, and the ladies of his family gave the embroidered red altar cloth.

The Mission was now given over to the care of the Convocation of West Philadelphia, who have generously supported it to the present hour. As the work prospered under Mr. Bawn's diligent superintendence he felt the need of a parish building which could be used for week-day meetings, etc., and a stone building was erected in 1887, as fast as money and materials could be secured. It was opened free of debt. St. Mary's Church generously presented a stained glass twin window, which we hope to see in the church that is yet to be. Several other valuable gifts were received from friends to whom the little church was very dear. Mr. Bawn's fruitful ministry terminated in 1892, after laboring fourteen and a half years. Rev. E. L. Ogilby succeeded, and introduced several changes in the conduct of the service, tending to

greater reverence. The beautiful chancel window in our present parish building (the Ascension of Christ) was donated by Mrs. Allison in memory of her sister, Miss Susan Cooper. She also gave \$1000 as an endowment similar to the Norris Fund. We also owe to her the carved altar and reredos. A Lectern Bible was given by Mrs. M. J. Holeman and Miss Alice Hilton, in memory of their brother, Mr. G. W. Hilton. Mr. Ogilby was succeeded by Rev. S. P. Kelly, M. A., in 1896, whose ministry terminated on St. Barnabas Day, of this year, after 14 years of earnest service. Mr. Kelly has left no written account of his work, but from the printed reports in the Journal and other sources, I gather that the outstanding events were the change in the location of the church property from 65th to 64th and Haverford avenue. This meant the loss of the buildings at 65th st., except the Rectory, which was removed at a cost of \$361. The property including the Rectory was valued in 1907 at \$20,000. The extent of ground in the new plot is exactly equal to that in the old. It required the courage of a veteran to face such a proposition, but Mr. Kelly successfully launched the erection of the new parish building, leaving only \$1900 due on the partially completed structure.

The idea of a St. Barnabas Building Society also originated with Mr. Kelly, and has been in operation since April, 1904, and has raised about \$12,000, or an average of \$2000 per year. A considerable share of this amount was collected by Mr. Kelly, from friends outside the church.

Mr. Kelly concludes his 1909 report as follows: "Estimated aggregate value of parish property, real and personal, \$39,000; incumbrance on church edifice, \$3000; other indebtedness, \$3500. During the year the Parish House has been erected as far as the first story and placed under a temporary roof and was occupied on Holy Innocents' Day, December 28, 1908, with a celebration of the Holy Communion. The first regular service was held on the second Sunday after Christmas, January 5, 1909. It is a substantial, handsome structure, with a chapel, Sunday school room, guild rooms and recreation hall. In addition to the figures given above the St. Barnabas Building Fund Association has since 1904, on shares of stock at 5 cents each, and by gifts for which paid up stock has been issued, raised \$2,772.38. Other donations from friends of the enterprise have been received to the amount of \$2571.72. In addition to this the Rectory has been removed from the old to the new lot at a cost of \$361, and has just been

painted. The corner-stone was put in place on Saturday, October 24, 1908, by the Rt. Rev. Alexander Mackay-Smith."

The only change in the report of 1910 is the item "Other indebtedness," which stood at \$3500, is reported as \$2000. Much credit is due to Mr. John C. Cave, who superintended the building operation, giving much of his time and his commercial influence to help on the erection, and he finally donated the temporary roof. The Secretary, Mr. Dawson, also did yeoman service. To our Missionary Bishop, the Rt. Rev. Alexander Mackay-Smith, D.D., we owe a debt of gratitude both for gifts from himself and family and for his influence in securing donations from others. We are under a similar obligation to Dean Gilberson and the members of the Convocation of West Philadelphia. In a church where so many have labored faithfully, and where the Ladies' Aid, under the guidance of Mrs. Strickland, have done so much for the comfort of the Rectory, and the Girls' Friendly, under Miss Ada Graham, has helped us so often, it seems invidious to single out any for special mention, yet we venture to record the following: Miss Amanda Humphries presented to the church our present or-

gan, the church carpet and many other gifts; Dr. Eckfeldt installed the electric light in the Rectory; Miss McCoy gave the piano, and Mr. Perry collected the cost of our present supply of Hymn and Prayer Books. We have also heard much of the unstinted devotion of the former treasurer, Mr. Seldon. During the absence of Bishop Mackay-Smith in his enforced rest through ill health, the Rt. Rev. Ozi Whitaker, D. D., appointed the Rev. Wm. Smythe, who had served for a brief period in St. Simeon's parish, under the late lamented Rev. Edgar Cope, B. D., M. A., Dean of the Convocation of North Philadelphia. June 19, 1910, marks the beginning of the new chapter.

Foreword

Another year is fast drawing to a close and we hasten to wish our readers a Christmas radiant with the joy of conscious fellowship with the living Christ and a New Year under the happy guidance of His good Spirit.

Our record for the past year must be one of devout thankfulness to God for His favor bestowed upon us "all the way."

This Diocese and St. Barnabas' parish lost a very real friend in the translation on February 9, 1911, of dear Bishop Whitaker. His successor, the Rt. Rev. Alexander Mackay-Smith, D. D., at once sought to carry out the arrangement originally proposed to Bishop Whitaker by the Rev. S. P. Kelly, M. A., to make St. Barnabas' a Memorial Church to Bishop Whitaker. While expressing entire agreement with the proposal, Bishop Whitaker's modesty naturally prevented him from sanctioning such in his lifetime, but the proposition was not lost sight of.

An appeal was issued to all the churches in the Diocese requesting at least a dollar per member for the Memorial Church. I am glad to record the generosity of St. Barnabas' in response to this appeal. We have given or collected up to the present \$1221.05. In addition we have met all our usual demands and have fully paid our assessment to the Diocesan and General Missions.

Through the kindness of Dr. Harris and the members of his Vestry we received the pews and cushions belonging to Grace Church, and have our Chapel comfortably seated. The gratuitous services of Mr. R. W. Haines and the members of the Property Committee have saved the Mission many

dollars. The two Chapters of the Brotherhood of St. Andrew have taken their full share in this helpful service. Mr. W. H. Halls, as leader of the Intermediate Chapter, and Mr. Edwin Stewart, of the Junior Chapter, are helping to solve the question as to the future of this church.

The boys of to-day are the men of to-morrow. Shall we have a strong MEN'S Church? The attendance or non-attendance of these young men at the Holy Communion and the other services of public worship will largely answer the query. We regret to have lost by transfer two of our most helpful workers, William and Edward Murray, who have gone out to the State of Washington. They came to us from Ireland, a credit to the good Rector who trained them as loyal sons of the Church.

Among those of our number who fell asleep in Jesus we mention the names of Miss Susan and Miss Ellen Kirkpatrick, who for many years lived and labored faithfully to make St. Barnabas' a House of Prayer. "The memory of the just is blessed."

On Wednesday, May 31, we presented 26 candidates, including nine adults for Confirmation to the Rt. Rev. J. H. Darlington, D. D.

The finances of the Church are carefully and faithfully administered by our treasurers. We have decided to adopt the Duplex Envelope System. This envelope is provided with two pockets, one "for ourselves," in which is to be placed what we consecrate to God for His work in our own Church; the other pocket is "for others," and is to represent in weekly amounts what we intend to give to our Lord to send His gospel throughout the world in Diocesan and General Missions. Those who use this second pocket will not be appealed to for a special contri-

bution at Easter. We owe a debt of gratitude for valuable services rendered by our Advisory Committee, our Sunday School officers and teachers, to Mr. Hartman and Mr. Sadler and the members of the Choir, to the ladies of the Ladies' Aid, the Dorcas, the Girls' Friendly and the Candidates' Band. New families are constantly being added to our list, and there can be no doubt that in a short time we shall be a strong, self-supporting Church. There is, however, one real cause of humiliation in the non-attendance of so many parents at the Holy Communion or any of the services of the Church, as though men had no sin to be forgiven, no spiritual life to be nourished by an unseen but very present Saviour.

We have visited and written letters to such with seemingly little effect.

A CHURCH LEAGUE OF PRAYER.

Will the readers of this Directory unite with me in daily prayer for those who absent themselves from the privileges of Christ's Church?

Our average Sunday attendance at 10.30 is about 80, and 100 in the evening, yet we have 300 families, representing at least 900 persons.

Where are these on the Lord's Day? Too many reading the Sunday newspaper, as though six days steeped in worldliness are not enough, and Christ and His Church are treated with silent contempt.

"Room for pleasure, room for business,

But for Christ, the Crucified,

Not a place that He can enter,

In the heart for which He died."

A PRAYER TO BE USED BY THE MEMBERS OF ST. BARNABAS' CHURCH.

Almighty God, who hast promised to hear the united petition of two or three who ask in Thy Son's Name, we pray for the illumination of Thy Holy Spirit, that we may desire the things that please Thee.

We are grieved, O God, that some who as children were grafted into Christ in Holy Baptism are not "leading the rest of their life according to this beginning," but, ceasing to abide in Christ, are becoming withered branches, having time for pleasure and business, but no use for Christ and the Church which He purchased with His own Blood. O Thou Who proceedeth from the Father and the Son, the Lord and giver of life, ere the withered branches are broken off, use such means, however severe, as may save their soul from eternal death. And where parents habitually absent themselves from the Worship of Thy House, O God save the children from following in their footsteps.

And we deplore, O blessed Saviour, that at Thy trysting-place, where Thou dost spread Thy Table, and dost draw us to meet Thee by the remembrance of Thy dying love, nay dost command us as the members of Thy Body, "Do this in remembrance of Me," that so few make any sacrifice to meet Thee at Thine Altar, to receive from Thee the heavenly food by which Thou dost sanctify our bodies and sustain our souls.

Forgive, O Thou despised One, the many needless absences of Thy people, and create within us such a love to our Divine Lord that we may not willingly stay away from Communion with Thee.

Help us to understand the difficulties under which

some of Thy people are trying to serve Thee, and show us our own faults, that we may bear patiently with others.

Bless all the organizations of our Church, especially the work amongst the young, granting to our Sunday School, teachers who esteem highly the privilege of moulding the characters of Thy little ones.

And make Thy House dear and sacred to us as the holy place where Father, Son and Holy Spirit are always present to pardon our sin and to transform our lives, for Jesus Christ's sake. Amen.

Our prayers go with Bishop and Mrs. Mackay-Smith that God may long spare them to His Church.

We gladly welcome to the Diocese the Rt. Rev. Philip Rhinelander, D. D., who is to become Bishop of Pennsylvania, with entire charge, in February.

The Rt. Rev. Thomas J. Garland, D. D., as Bishop Suffragan, needs no introduction, having long been a friend to our mission and to every good cause.

We have just received a letter from Rev. S. P. Kelly, M. A., who is now in the Channel Islands. He is still thinking of and working for St. Barnabas'. When he returns he may be sure of a right royal welcome from his many friends in this Parish. We wish him and Mrs. Kelly every blessing.

The attendance since October 1, 1910, has materially increased. A great many more scholars' names have been added to the roll. The teachers have been faithful in their duties, and the scholars have also generously aided the school. During the next year it is our earnest hope to see a much greater increase than in the past years.

JUNIOR CHAPTER, NO. 692.

The Junior Chapter had during the year 1911 one of the most successful years in its history. Starting out with a membership of 16 boys, they have steadily grown till now they have a membership of 36.

In the spring it was decided to give, in conjunction with the Intermediate Chapter, a social evening. This was held Thursday evening, June 1. An interesting and attractive vocal and instrumental program was arranged, most of the talent being furnished by the Brotherhood. Refreshments were then served, and a very pleasant evening was passed by the members and their friends. Shortly after this it was decided to suspend the holding of the Thursday evening meetings till the fall.

During the summer months an outing was planned. After about a month of careful preparation Messrs. Sheldon and Stewart announced that a week's camping had been arranged. Eleven of the boys, under the direction of Messrs. Sheldon and Stewart, left on August 5 for Rhana, Pa., along the Perkiomen Creek, where a most delightful week was spent. The boys wish to thank all the members of the Church who by their assistance made this trip possible.

After the long summer vacation period was over the meetings were resumed on September 20. New officers were elected, E. A. Stewart being appointed Director, and the positions of Secretary and Treasurer being filled by R. C. Hamilton and T. Smythe, respectively. A number of interesting matters will be taken up, and a very successful season is looked for.

ROBT. C. HAMILTON, Jr.,
Secretary.

Foreword.

The Christmas bells will soon be pealing, carrying their message of gladness to old and young, and it is our privilege to wish every friend of St. Barnabas a very joyful Christmas. The teachers in the Sunday School are doing all they can to make the evening of St. Stephen's Day a time of good cheer for the children.

Father Christmas will be there and he brings a whole pack of good things. The event of the year to which we are looking forward is the erection of a church and rectory, together with the completion of the Parish Building.

Though so slow in coming, we hope some time to break the ground, and we are using the space at our disposal in this Directory to serve as a hand book for the opening service. We are happily in the possession of a monthly Parish Leaflet, which reaches every family whose address is known to us and we refer our readers to it for reports of our several chapters.

Another year is dawning,
Dear Master, let it be
In working or in waiting
Another year with Thee.

Another year of progress,
Another year of praise.
Another year of proving
Thy presence "all the days."

SERVICE

**For the Breaking of the Ground for the Bishop
Whitaker Memorial Church and Rectory
St. Barnabas Mission of the Protestant Episcopal
Church, 84th and Haverford Ave.**

Onward, Christian soldiers,
Marching as to war,
With the cross of Jesus
Going on before!
Christ the royal Master
Leads against the foe;
Forward into battle,
See, His banners go.

Onward, Christian soldiers,
Marching as to war,
With the cross of Jesus
Going on before!

At the sign of triumph
Satan's host doth flee;
On, then, Christian soldiers,
On to victory!
Hell's foundations quiver
At the shout of praise;
Brothers, lift your voices,
Loud your anthems raise!
Onward, etc.

Like a mighty army
Moves the Church of God;
Brothers, we are treading
Where the saints have trod;
We are not divided,
All one Body we,
One in hope and doctrine,
One in charity.
Onward, etc.

Crowns and thrones may perish,
 Kingdoms rise and wane,
 But the Church of Jesus
 Constant will remain;
 Gates of hell can never
 'Gainst that Church prevail;
 We have Christ's own promise,
 And that cannot fail.
 Onward, etc.

Onward, then, ye people!
 Join our happy throng!
 Blend with ours your voices
 In the triumph song!
 Glory, laud, and honor,
 Unto Christ the King;
 This through countless ages
 Men and angels sing.
 Onward, etc.

(The clergy and all the people being assembled at the place appointed, and all standing, the Bishop, or one chosen by him, shall begin the service, saying:)

Our help is in the Name of the Lord;
 R. Who hath made heaven and earth.
 Blessed be the Name of the Lord;
 R. Henceforth, world without end.
 Except the Lord build the house;
 R. Their labor is but lost that built it.
 Except the Lord keep the city;
 R. The watchman waketh but in vain.
 O God make speed to save us.
 R. O Lord make haste to help us.
 Glory be to the Father, etc.
 R. As it was, etc.

(Then shall the minister turn to the people and say:)

Good people, we are gathered together here in the Name and Presence of Almighty God, to break the ground for the foundations of a church as a memorial to the Rt. Rev. O. Z. Whitaker, D. D., LL. D., for the worship of Almighty God and the administration of the Sacraments and Rites of the Church of God, for the Mission of the Protestant Episcopal Church in this part of West Philadelphia, and in the Diocese of Pennsylvania. Wherefore I beseech you to call upon God the Father through our Lord Jesus Christ, that He would grant that this sacred enterprise may be prospered in all things, and that He would bestow upon it, of His generous Mercy, His direction and blessing, now and always, to His glory and the benefit of His people.

(Then shall be said the Apostles' Creed.)

I believe in God the Father Almighty, Maker of heaven and earth:

And in Jesus Christ His only Son our Lord: Who was conceived by the Holy Ghost, Born of the Virgin Mary: Suffered under Pontius Pilate, Was crucified, dead, and buried: He descended into hell; The third day he rose again from the dead: He ascended into heaven, And sitteth on the right hand of God the Father Almighty: From thence he shall come to judge the quick and the dead.

I believe in the Holy Ghost: The holy Catholic Church: The Communion of Saints: The Forgiveness of sins: The Resurrection of the body; And the Life everlasting. *Amen.*

The Lord be with you,
 R. And with thy spirit.
 Let us pray.
 Our Father, etc.

O Lord, without whom our labor is but lost, and

with whom Thy little ones go forth as the mighty, be present to bless all the works in Thy church, which are undertaken according to Thy will, and especially that to which are set our hands this day, granting to us Thy laborers, a pure intention, sufficient success upon earth, and the blessedness of serving Thee in heaven; through Jesus Christ our Lord. *Amen.*

Regard, we beseech Thee, O Lord, the supplications of Thy people, and be pleased to accept and bless this ground which we are about to break for the foundations of a ~~Parish House~~ ^{Church}, and as the earnest of our desire to serve Thee and to extend Thy Kingdom; through Jesus Christ our Lord. *Amen.*

Grant, O Lord, Thy protection to all who labor in the building of this house; shield them at their work from bodily accident and harm; prosper, we beseech Thee, the work of our hands upon us; O prosper Thou our handiwork; and grant, that in all our works begun, continued and ended in Thee, we may glorify Thy holy Name; through Jesus Christ our Lord. *Amen.*

O God, without Whom nothing is strong, nothing is holy; give, we beseech Thee, to all those Thy servants who may be charged with the maintenance, management and discipline of this house, such wisdom, zeal and fidelity, that they render to Thee an acceptable service. May they have the sympathy, assistance and prayers of all Thy people, and may this work be carried forward by them under Thy direction, and sustained by Thy almighty help, to the honor of Thy Name, the prosperity of Thy Church, and the salvation of men; through Jesus Christ our Lord. *Amen.*

O Almighty God, who hast built Thy Church upon the foundation of the Apostles and Prophets, Jesus Christ himself being the head corner-stone; Grant us so to be joined together in unity of spirit by their

doctrine, that we may be made an holy temple acceptable unto Thee: through Jesus Christ our Lord. *Amen.*

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us all evermore. *Amen.*

All hail the power of Jesus' Name!

Let angels prostrate fall;
Bring forth the royal diadem
And crown Him Lord of All!

Crown Him, ye martyrs of our God,
Who from His altar call;
Extol the stem of Jesse's rod,
And crown Him Lord of All!

Crown Him the Heir of David's line,
Whom David, Lord did call;
The God incarnate, Man Divine!
And crown Him Lord of All!

Sinners whose love can ne'er forget
The wormwood and the gall,
Go, spread your trophies at His feet,
And crown Him Lord of All!

Let every kindred, every tribe,
Before Him prostrate fall!
To Him all majesty ascribe,
And crown Him Lord of All!

(Then shall the Bishop, or the appointed Minister, remove the first shovel of earth, saying:)

In the name of the Father, and of the Son, and of the Holy Ghost, I break the ground for this ~~Parish House~~ ^{Church}, and may the Lord bring our undertaking to a prosperous end. *Amen.*

(The minister-in-charge, the Rev. S. P. Kelly, M. A.,

and other clergy, the committee in charge of the building (the Very Rev. Deans Gilberson, Goodfellow and Le Roy; Arthur E. Newbold, Edward H. Bonsall, J. G. Collier, T. Newhall and Rev. T. W. Davidson, secretary) and the members of the St. Barnabas Advisory Board (Dr. J. W. Eckfeldt, G. W. Rowbotham, J. Dawson, W. S. Boyd, W. H. Halls, D. S. Smiley, C. W. Mellor, A. J. Perry, W. Moninger, O. H. Cressman, W. Woodcock, E. Williams, G. E. Rollinson, G. W. Brown, J. F. Welden, John C. Cave, W. S. Sadler, R. W. Haines and T. W. Gorman) may also remove earth, each one as he does so saying:)

In the name of the Father, and of the Son, and of the Holy Ghost.

(Then shall be said:.) Let us pray.

Direct us, O Lord, in all our doings with Thy most gracious favor, and further us with Thy continual help; that, in all our works, begun, continued and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life through Jesus Christ our Lord. *Amen.*

ADDRESS

(Then shall be said this offertory sentence:)

Thine, O Lord, is the greatness and the power, and the glory, and the victory, and the majesty; for all that is in the heavens and in the earth is thine; and thine is the Kingdom, O Lord, and thou art exalted as head above all.

Come, Thou almighty King,
Help us Thy Name to sing,

Help us to praise!

Father all glorious,

O'er all victorious,

Come and reign over us,

Ancient of days!

Come, Thou Incarnate Word,
Gird on Thy mighty sword;
Our prayer attend!
Come, and Thy people bless;
Come, give Thy word success;
'Stablish Thy righteousness,
Saviour and Friend!

Come, Holy Comforter,
Thy sacred witness bear
In this glad hour!
Thou, Who almighty art,
Now rule in every heart,
And ne'er from us depart,
Spirit of power!

To Thee, great One in Three,
The highest praises be,
Hence evermore;
Thy sovereign majesty
May we in glory see,
And to eternity
Love and adore.

When the Devotions of the people are presented the Doxology shall be sung.

(Then the Bishop, or one appointed by him, shall say:)

The Lord be with you.

R. And with Thy spirit.

Let us pray.

O God, Holy Ghost, Sanctifier of the Faithful, visit, we pray Thee, the congregation of this Mission with Thy love and favor; enlighten their minds more and more with the light of the everlasting Gospel; graft in their hearts a love of the truth; increase in them

true religion; nourish them with all goodness; and of Thy great mercy keep them in the same, O blessed spirit, whom with the Father and the Son together, we worship and glorify as one God, world without end. *Amen.*

Stir up, we beseech Thee, O Lord, the wills of Thy faithful people; that they, plenteously bringing forth the fruit of good works, may by Thee be plenteously rewarded; through Jesus Christ our Lord. *Amen.*

O God, who hast made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee; Bring the nations into Thy fold, and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom; through the same Jesus Christ our Lord. *Amen.*

O Almighty God, who hast knit together Thine elect in one communion and fellowship in the mystical body of Thy Son Christ our Lord; Grant us grace so to follow Thy blessed Saints in all virtuous and godly living, that we may come to those unspeakable joys which Thou hast prepared for those who unfeignedly love Thee; through Jesus Christ our Lord. *Amen.*

THE BENEDICTION

The Church's one foundation
Is Jesus Christ her Lord;
She is His new creation
By water and the word:
From heaven He came and sought her
To be His holy Bride;
With His own blood He bought her,
And for her life He died.

Elect from every nation,
Yet one o'er all the earth,
Her charter of salvation,
One Lord, one Faith, one Birth;
One holy Name she blesses,
Partakes one holy food,
And to one hope she presses,
With every grace endued.

Though with a scornful wonder
Men see her sore opprest,
By schisms rent asunder,
By heresies distrest;
Yet saints their watch are keeping.
Their cry goes up "How long?"
And soon the night of weeping
Shall be the morn of song.

'Mid toil and tribulation,
And tumult of her war
She waits the consummation
Of peace for evermore;
Till with the vision glorious
Her longing eyes are blest,
And the great Church victorious
Shall be the Church at rest.

Yet she on earth hath union
With God, the Three in One,
And mystic sweet communion
With those whose rest is won:
O happy ones and holy!
Lord, give us grace that we
Like them, the meek and lowly,
On high may dwell with Thee.

BRIEF HISTORY.

The Rev. Samuel P. Kelly took charge of the mission in the year of Our Lord 1896. His wisdom brought about the change of location, from Sixty-fifth street to Sixty-fourth street and Haverford avenue. No one now questions the wisdom of the change. On the new site a chapel building was erected and the old rectory moved entire from the old to the new location. The family lived in the house during the time it was being moved. The cost of moving was borne by two building funds, one composed of the people of the mission. The temporary roof was donated by Mr. John C. Cave.

For fourteen years the late Mr. Kelly labored at St. Barnabas'. Those were years of struggle. But the foundation was being laid for the future of the work. We of the present St. Barnabas' owe much to these fine men who gave themselves to the starting and firmly establishing this present encouraging parish. Their labors, certainly, do follow them.

The Rev. Mr. Kelly passed away on Saturday, February the 20th, at his home on Powelton avenue. He was buried from St. Andrew's, Thirty-sixth and Baring, on the afternoon of February the 23d, the Bishop Suffragan officiating. The interment was in Arlington Cemetery.

How blessed the righteous, when he dies!!

The Rev. William Smythe took charge of St. Barnabas' Mission on June 19, 1910. The breaking of the ground for the new church occurred on Saturday, April 12, 1913, at 3 o'clock. The Rt. Rev. Thomas J. Garland, D. D., officiated. Many of the clergy were present.

The corner-stone of the church, as a memorial to the Rt. Rev. O. W. Whitaker, D. D., was laid by

the Rt. Rev. Philip M. Rhinelander, D. D., on Saturday, June 28, 1913, at 3 o'clock. Dean Gilber-son assisted. The corner-stone of the old church, bearing the date 1872, has been placed on the opposite side of the main entrance. The new rectory was occupied in December.

The church was consecrated by the Rt. Rev. Thomas J. Garland, D. D., on St. Barnabas' Day, June 11, 1914. The sermon was preached by the Rev. James De Wolf Perry, D. D., chairman of the Standing Committee of the Diocese.

August 12, 1914, marks the close of the faithful ministry of the Rev. William Smythe, after four years of loving and self-sacrificing service. While on his vacation at Wildwood, N. J., he answered the call of the Master, in whose footsteps he had always followed. The burial was held from the church on Saturday, August 15, at 3 o'clock. The Rt. Rev. Thomas J. Garland, D. D., assisted by the Rev. S. Lord Gilber-son, officiated. The church was crowded with his host of loyal friends, among the clergy of the diocese and the members of this and other parishes.

DR. LEROY PICKERSGILL

DENTIST

5930 MASTER STREET

TELEPHONE, BELMONT 643

PHILADELPHIA, PA.

To the Members of St. Barnabas' Church.

Greetings:—One this Glad Easterday, our first together as pastor and people, let me say a few things to you, appertaining to present and future welfare of this church. I came to you on the first Sunday in December, 1914. You accorded me a warm welcome, which was both pleasing and encouraging. The weather was not so cordial; for the Sundays after my coming were very stormy. But with the passing of the severe and stormy Sundays, things have began to shape themselves, and the outlook is now pleasing. Nobody could have been more busy than I have been the four months I have been here. One thing has been made very clear to me since I came, namely, that there is enough work, and it bids fair to increase, to keep one clergyman busy. Let me tell you just exactly how I feel about St. Barnabas'. There can be nothing better than frankness between a pastor and his people. The first duty of a pastor is to conduct the services of the church and minister to the people in things Spiritual. As I understand the matter, for this first, he is ordained to the Holy Ministry. Let us be sure that we put things in their proper place;—first things first. Anything that interferes with this, in the very nature of things, will have bad results. Along with this first duty of the pastor goes the first duty of the people. Their first duty is to attend divine worship continually so that they may work out their own salvation with "fear and trembling." Theoretically, at least, if I understand the matter, our salvation is to be worked out through the church in divine worship. But of what use is a theory unless we put it into practice. Every Christian should be ashamed when they kneel down

to say their evening prayer, if they have not been at divine worship on that Sunday. I am not now thinking of sick persons or the ones who cannot come on a certain Sunday. I am thinking of normal Christian people, blessed with health and strength, and the great privilege of attending God's House on the Holy Day set apart for this specific thing;—the worship of the God and Father of Our Lord Jesus Christ, in His church.

Let me say a word or two about the tendency to talk too freely about everything and everybody. It is always dangerous to talk about people. You can talk about things all you please, but to talk about one another without much thought of the things you are saying, is apt to lead to bad results. Of all places on this earth the Church of the Prince of Peace is the very last one where there should be faction and friction. The sin of detraction is the sin of church-going people. If you expect everybody to agree with you in everything you think and say and do, you will soon become a first-class Philestine. Moreover, if you propose to remove yourself from the company of people because you do not agree with them, you will be very lonely in this world. But you will elect this for yourself, and your unhappiness will be the child of your own creation. It was always true, and is now true, and will be true forever, that a "soft answer turneth away wrath." Christian people who cannot be kind and considerate one of another, are so much hinderance to the real Cause of Jesus, and, in the very nature of things, cannot be happy in the love of God. It is a good thing never to repeat a thing you hear, even a good thing, unless you are compelled to do so, and even then only as that thing will do good and not harm.

History
of St. B.

Don't find fault and complain. Work and make things better. It is so easy to get into the habit of sitting in judgment on people. The Judgment Day will come altogether too soon for some of us. At any rate, when it does come, the One that died for us will be our Judge. How pleasant a thing it is for Christian people to dwell together in peace and quiet and love. If St. Barnabas' is to be a strong and efficient parish, as now seems, it will be such because we all "bear one another's burdens, and so fulfil the law of Christ."

Affectionately yours,

JOSEPH MANUEL.

Items of Interest to the People of St. Barnabas' Church.

The old carpet on the floor of the chapel and rooms adjacent thereto has been taken up and all the floors stained. The change is most pleasing.

We need money so that we can take out the old benches just as soon as possible and put in new chairs. The chapel should be made as attractive and artistic as possible. There is no greater work being done in any Sunday School in the Diocese, than is being done by the primary teachers in that chapel Sunday after Sunday. I have never seen a Primary Department that was conducted more systematically and efficiently than this in St. Barnabas' Sunday School. It is, therefore, worth while to fix up this chapel in the best manner possible.

Mrs. Joseph Firth, a friend of the pastor, made us a present of a very good Estey organ. It is something we needed very much. In the name of St. Barnabas', I thank Mrs. Firth for this organ.

An appeal was made from the Chancel some time ago for articles with which to furnish the Sacristy. As you know, there was not a thing in it. The late Mr. Smythe, I am sure, would have done with it the same thing that I have done, only he would have done it much better. The people came forward and offered to give different needed articles for the room. But one family came forward and asked for the privilege of furnishing the entire room. That has been done, and done so well by them.

On a brass tablet put on the wall is this inscription:

To the Glory of God and in Loving Memory of William Graham, this Sacristy was furnished by his Children.

On behalf of the people of St. Barnabas' Church, let me thank the children most warmly.

The Bishop dedicated the Sacristy after confirmation on the morning of March the 21st, 1915.

The William Smythe Memorial Window Fund.

Ever since I came to St. Barnabas' it has seemed to me that there was a strong feeling that the name of the late Rev. William Smythe should be perpetuated in connection with this parish. But for Mr. Smythe, I am quite sure that this church could not have been built. The workman is worthy of his hire, said Our Divine Lord. Having built a church myself, I know well what pains Mr. Smythe must have had to bear. I am, therefore, asking the following gentlemen to serve with me as custodians of all moneys turned over to this fund:

Mr. Walter Haydock, 1446 N. Hobart street.

Mr. O. H. Cressman, 6205 Haverford avenue.

Mr. Walter Woodcock, 1632 N. Sixtieth street.

Mr. Geo. E. Rollinson, 6034 Media street.

BROTHERHOOD OF S. ANDREW, JUNIOR CHAPTER, NO. 362.

Our Chapter was reorganized Nov. 5, 1914, under the leadership of Walter C. Haydock. The following officers were elected:—Mr. T. B. Smythe, Secretary, and Mr. Edward Hart, Treasurer.

Chapter meets every Wednesday night at 8 o'clock in the Parish House. Interesting meetings have been held.

We take the opportunity of extending a cordial invitation to all boys and young men of the Parish to join our ranks. We are anxious to see our Chapter grow in numbers and influence. We are making an effort to form a strong and efficient organization and hope to double our membership during the coming year.

Twelve young men were taken into the Brotherhood at a Public Service in S. Barnabas' Church the last Sunday night of the Old Year.

To the Members of St. Barnabas' Church,

My Dear Friends:—

On this Easter Day, our second together as Pastor and people, we put into your hands another Directory. All things human are more or less faulty. There were some mistakes in our last Directory. Doubtless, there will be some in this. But there will be no intentional omissions.

We may all take some comfort from the fact that St. Barnabas' is making some progress. We have a just right to be proud of the level we have already reached. But the level is too low. We need to get out and up on to a decidedly higher level where there will be much more room for our feet. The way to get up is simply to get up; and the way to reach higher levels is to climb up to them. Individually we cannot stand still, and collectively we had better not try the experiment. Our Church must make steady progress, otherwise we shall simply go back.

Let me call your attention to some very important Considerations: First, the matter of supporting the church by regular and conscientious attendance at the Services. Notwithstanding that the attendance has increased during the past year, we can scarcely feel that it is such an increase as we have a right to expect. There ought to be a congregation at the 10.30 A. M. Service of not less than two hundred souls. The attendance Sunday night ought to be equally as large. We are now dealing with actual facts. You can look over the congregation Sunday morn-

ing or Sunday evening and say, 'there must be two or three hundred souls present.' That is one way some Clergymen estimate the number of people present at the Church Service. One of the visiting preachers this Lent said that the Congregation must have been three hundred;—by actual count the number was one hundred and sixty. And that is the other way of estimating the number present, by the actual count. It may be more pleasant to stand in the Chancel and look out over the Congregation and say, there must be three hundred present than by actual count discover that there is only one half that number in Church. We try to faithfully count the number present at all the Services. We could rest fairly satisfied if every member of the Parish came to Church once a Sunday. Is it looking for too much to expect every member to be present once on Sunday? We think not. But let our people please remember, that if the Church is well-attended, it is because they propose to be present every Sunday and in this way make the Service a success. If the Church is well-attended the Congregation is to receive the credit; if the Church is not well-attended the congregation should feel that the fault is very largely its own. One sure way to increase the attendance is to speak well of the Church. Some people are so easily influenced either one way or the other in the matter of Church-going. The past is gone and cannot be recalled. To show lack of interest in Church-going because something that you did not like happened five, ten, or twenty years ago, is going to help neither you nor the Church of St. Barnabas. If we will only remember the kind and tender and continuous patience of the Great Father with our faults and failings, we shall thereby be more disposed to look with charity on the imperfections of one another. If we must talk, let us discuss the weather, the Fourth of July, the Moon and the stars. They have no hearts to wound and no souls to save. To be like Jesus should be our supreme aim; and He "Went about doing good."

The Second Consideration of much importance, is the matter of the Financial support of the Church. Ours, as we all know, is a "Free Church." Some of us actually rejoice that St. Barnabas' is not a "Pewed Church." There are some things to be said, I presume, in favor of a "Pewed Church." But the things to be said against such

a Church are much greater in number. Some of us feel deeply about the House of God being free and open to every soul in the community. At the same time, The "Free Church" cannot continue to be "Free" long unless it is supported generously by the free people attending it.

More people are taking Envelopes this year than last year. But that is only natural. For within one year Seventy-two persons have been added to our Communicants by Confirmation, not to mention the number Transferred to us from other Parishes. In all, the increase reaches almost one hundred. We are glad that more people are taking Envelopes this year than last, and we all feel much encouraged that such is the fact. Some give through the Envelopes regularly and generously. Others give in a careless or rather meager way. But the average needs to be toned up. We have little sympathy with people who are opposed to taking Envelopes on the score that some body will find out how much they give. That sounds very bad. We are to give what we can, and if that is not as much as the amount some one else gives, if it is the best we can do, in the eyes of God it is of equal value with the larger amount. It is the temper of the spirit back of the giving that is the main consideration. But we shall have to arouse ourselves to a sense of greater obligation in this matter of Supporting the Church through the Free System of giving by means of Envelopes, if St. Barnabas' is going to progress as it should.

Another Consideration is, the matter of the seating of the people in Church. The Choir and Clergyman are perfectly harmless. If there is anything of a wild and ferocious nature secretly hidden in the Chancel, we are not aware of it. Why, then, should it be so very difficult to get people to sit nearer the Chancel? The fault is very pronounced Sunday nights. Some are so bent on sitting back Sunday nights that they even remove the cord which is put there for the express purpose of keeping people out of those seats. It is not treating the Ushers with due consideration to take down the cord and occupy the seats roped off. The cord should never be removed except by the Ushers. I do most earnestly wish that the people would distribute themselves more equally in the Nave of the Church, Sunday nights especially. It looks much better. It helps the Choir. It is an advantage to the Preacher. Please act on my suggestion in this matter.

THE CHOIR

We have a new Choir Master. Mr. Albert E. Collier took charge of the Choir the First Sunday in February. good results are already visible. The Congregation is greatly indebted to the Choir. The cheerful way in which they attend both the Rehearsals and Church is a source of delight. I wish that the Congregation could do a little more to show the Choir that we do appreciate them, as I know we do. But the Congregation might undertake once a year to entertain the entire Choir. It would do much good, and it would cost little.

The New Chancel Guild is making itself very useful. They have raised enough money to put a Cover on the Table in the Guild Room and put up draperies over the

Choir Closets. The two rooms look quite neat and attractive in their new dress of brown. We all appreciate this good work of the Guild.

For all the gifts of all the people, for the kindnesses and interest of each and all, I am personally very grateful. A Clergyman's life is a very hard one. To a willing soul, there is no end to the work. One sometimes feels that the people for whom a Clergyman does the most from these same people you get the least sympathy. To grind out two sermons a week, to be responsible for the work of all the organizations, to care for the sick, to stand with the families in trouble, to be anxious about the Finances, all these things taken together make a Clergyman's life no synosure.

It is a very fitting thing for persons whose dear ones have passed into Paradise to remember them especially on a Sunday when they supply the Flowers for the Altar. These Flowers not only beautify the Altar, but they are carried to the sick at the close of the day.

Gifts to St. Barnabas' Church since the last issue of the Directory

The Misses Hawkins have given a beautiful White Silk Chalice Veil, Burse and Pall, together with Linen for use in the Holy Communion. We are much indebted to these good sisters for this most useful gift.

The G. F. S. also, has given to the Church a beautiful Purple Silk Chalice, Veil and Burse. One of the most encouraging things about St. Barnabas' Church is the real helpfulness of the Girls' Friendly Society. Its efficient Secretary, Miss Ada Graham, and the Girls themselves are always ready to do everything they can for the good of our Church. We do most truly appreciate the Society.

Mr. Walter Woodcock gave the very useful Pulpit Light. This was in Memory of his late Mother. Personally I reap the benefit from this Light. All the men who preach Sunday nights are under deep obligation to Mr. Woodcock.

The Barnard Family gave the Carpet that runs along the floor of the Chancel. It is useful and needed. We thank warmly all the members of the Barnard family for this gift.

The beautiful Kermenshaw Rug on the steps of the Altar was given by one of the oldest and most reliable Church-families of St. Barnabas' Church. It took a long time to make a selection, but the selection made, we feel that the Rug is one of the finest that money could buy. Every one in St. Barnabas' Church, I feel sure, is thankful to this good family for this gift.

The fine Red Silken Cord at the entrance to the Sanctuary was given by Mrs. George Smiley in Memory of her little Donald. It was something needed and is most appropriate for the purpose. For this gift we are all thankful.

Mrs. Reeves, one of our faithful Communicants gave the square Piano now in use by the Choir in the Parish House. It supplies a need long felt. We are under last ing obligations to Mrs. Reeves for this Piano.

ITEMS OF INTEREST THE ITALIAN MISSION

The Mission is discontinued for the present in St. Barnabas' Church. The plan is to locate it in some building in the neighborhood. A fully Ordained man will be put in charge of the Work.

THE NEW ALTAR

The New Altar, given by Mr. William Ellis Scull of Overbrook, was Dedicated on St. Barnabas' Day. The Bishop of the Diocese officiated. Mrs. Mackay-Smith and her two daughters came from Washington to attend the Service.

After the Service our Ladies served a luncheon to the Bishop, visiting Clergy and the friends of the late Bishop Mackay-Smith.

The people of St. Barnabas' are under a lasting debt of gratitude to Mr. Scull for this beautiful Altar.

BAZAAR

The Sunday School Teachers are planning for a Bazaar to be given some time next November. The purpose is to raise money for two objects; First, to secure a much-needed Chair for each Teacher in the Sunday School, with a receptacle for books and literature; Second, to renovate the Chapel. The plan is to put Cathedral Chairs in the Chapel, a thing much-needed. We estimate that we shall need about \$500.00 for the purpose.

Easter Day, 1917

ARTHUR L. BOWERS, Publisher

Easter Day 1917

My Dear Friends of St. Barnabas':—

Another Glad Easter Day is here—the third we spend together as Pastor and People. Each one should be more pleasing and prophetic. How fast they come! How quickly they pass! We are not sorry that the Winter is over. It has been very trying. Many of our people have been sick, and colds have epidemic. We all welcome the longer days. We are all thankful for more blue sky and bright sunlight. The longed-for breezes of spring are about to bless us.

The weather has interfered with the attendance at the Church Services somewhat since last December. Lent always comes at the time of the year when the weather is apt to be rather bad. I wish, however, that more of our good people had the Church-going habit more firmly established. If it was, the attendance, I am sure, would be better. We need more of a Parish Consciousness at St. Barnabas'. One can be so liberal that they are everywhere in general and nowhere in particular. It is possible to be chasing a vagary for a sane ideal. It is still true, that "Faith without Works is Dead."

The Congregation's Part in Divine Worship:—Ours is a Common Worship: Common because People and Minister join together in it. Both are very necessary. I wish that the part of the People might be a little more general and hearty.

The leaking of the Church, let me remind you, is not on account of the kind of stone used but rather because of the weather-conditions. The spouts being filled with ice, when a thaw sets in, the back-water is forced over the gutters, running down the walls and through into the Church. This is especially so around the windows. But ours is not the only Church that leaks. It has come to my notice that a number of our good Churches leak.

More people take envelopes this year than last, and we are encouraged at that. But there is still a manifest lack of systematic giving on the part of too many of our people. It is not so much because people do not intend to do their duty, or because they are not generous, but rather we believe because they do not think of the matter of the expenses that go on all the time. Shall we not take this matter of supporting the Church a little more seriously?

Memorials Placed in St. Barnabas' Church During the Past Year.

On the First Day of November, All Saints' Day, the pulpit to the memory of the late Rev. William Smythe was dedicated by Bishop Garland. The sermon was preached by the Rev. George Copeland, Rector of St. Peter's Church, Weldon, Pa. Mr. Copeland knew Mr. Smythe quite well.

The pulpit itself is in perfect keeping with the interior furnishings of the Church. The location is the one intended by the original plans of the architect. We have heard nothing but praise of the pulpit. It is surely a fitting tribute to the clergyman that really built the Church.

On the First Sunday in November a tablet was unveiled at the morning service to the memory of the late Rev. Samuel P. Kelly. The Rev. Dr. Heffern, an old-time friend of the Rev. Mr. Kelly, officiated at the unveiling. He preached a very interesting sermon, setting forth the life and labors of our good brother.

The tablet was given by Mrs. Kelly and Mrs. Helen Kelly Rowbotham.

There was used for the first time on Christmas Day the new triptych, given by Mrs. Ogilby in memory of her husband, who was the Minister of St. Barnabas' Church before Mr. Kelly.

All these memorials are most fitting and add to the character and beauty of the Church.

Observation will show that a few more are giving memorial flowers than last year. But there are still many Sundays open and we commend the matter of proving flowers in memory of some departed loved one. For these flowers not only beautify the sanctuary but they cheer the sick room—and heart—of many a person.

A Probationary Chapter of the Brotherhood of St. Andrew has been recently formed. We are hoping for good and useful things from this new departure.

Sunday School Teachers' Meeting the Second Monday of the month at 8 o'clock.

The Choir

We need more tenors, altos and sopranos for the choir. There are surely enough young men and women in the Church to sing these parts and thus make our choir a little more well-balanced. Let us be a little more ready to do what we can do in order to have things move with power and life. The Choir Master, Mr. Albert E. Collier, will be glad to welcome new members to the choir.

The choir rehearsal is every Friday night at 8 o'clock.

All of these organizations are doing much good in their respective spheres. Without them, the work would soon go entirely to pieces. We want men and women to offer themselves for service in these various organizations. Everybody in a Church ought to be doing something. A lazy Christian belongs to the same class that any lazy person belongs to. They are just so much bulk in the way. To be somebody is a commendable thing; but to be Some-Soul is much better. If man fails to give credit, remember "the Master praises, what is man?"

The Bazaar given by the Sunday School Teachers last November was a great success, both socially and financially. We raised over \$400. It was raised for chairs for the Sunday School Teachers, and for the entire renovation of the chapel. The chapel is now entirely finished, and it makes a more attractive place of meeting for the Primary Department and a splendid chapel for the early services in the winter. We are all pleased, I feel sure, to have the chapel put into such an attractive condition for the purposes for which it is needed and used so much.

Our teachers did well, and we have just cause to feel proud of the zeal with which they went into this matter and pushed it to such a complete success.

Harry Weinmann	Charlotte Weinmann

The work of the Main Sunday School is drooping for want of men teachers. We have classes that are altogether too large for teachers to handle and therefore should be divided. But we cannot divide, for the simple reason that we have not enough teachers for the classes as they now exist. Can we not hope to have a few more men volunteer for this work? As I have said before, we can have just as large and as well-conducted Sunday School as we are willing to pay the price for. But if the price is kept back, we must still look on the work with sad hearts at what some regard as the "Slaughter of the Innocents."

Miss Margaret Smythe made Missionary Talks each afternoon in Lent, after the study of the lesson. These talks are calculated to create interest in the ever-live subject of missions. We cannot be the best Christians and not believe in missions. The Church of Christ is a Missionary Society. The Saviour said so.

The Primary Department seems better equipped to cope with the steady increase in the size of their school than the main Sunday School. Perhaps it is easier to manage children when they are small than it is by the time they are old enough to be promoted to the Main School. But there seems small reason for not doing as well with the children after they are turned over to the Main School by the Primary Department as was done before their promotion.

The Church Sign

The Junior Brotherhood, under the leadership of Mr. Rush Haines, have given themselves now for a long time to the task of raising enough money with which to furnish St. Barnabas' Church with a sign board. That board is a great credit to the boys, who worked so hard to raise the money. The entire congregation is placed under obligation to the Junior Brotherhood for this gift.

Your delegates to the West Philadelphia Convocation promised last Fall the sum of \$25.00 toward the building of the Church of the Epiphany. As there was no Convocational Bazaar, the delegates felt that they could presume to represent the parish to the extent of this obligation. Any contributions toward that \$25.00 will be thankfully received by myself. The Women's Aux. at its last meeting pledged \$5.00. I know the Parish Guild will do something, if appealed to; but we would like others to share in this matter of giving toward the building of this fine Church.

The amount of money raised for the Pension Fund was \$95.50. One good family gave \$25.00 of this amount. Mr. David Smiley gave \$5.00. Mr. Perry gave \$5.00. Miss Allen gave \$5.00. I wish that we could have done more. But now the matter of keeping up the Pension Fund is before all our Churches. Our assessment year by year will be considerable. It will total up over \$100.00 a year. But we shall certainly meet that obligation if we fail in every other.

The Women's Auxiliary went to work with a will on the sewing for the choir. We got thirty yards of serge at \$1.10 a yard for Cassocks. That amounted to \$33.00. Mr. John Mawson, an old-time friend, the head of the John Mawson Haircloth Works in Kensington, made us a present of \$20.00 towards that amount, saying that we might pay the other \$13.00 when we got ready. He went so far as to bring the goods to the Rectory. A friend in need is a friend indeed. Parish Guild paid the \$13.00.

Mrs. George Rollinson and Mrs. John Roebuck are the Choir-Mothers. They are making things turn-up in that department. The price of a well-kept set of Choir Vestments is "eternal vigilance."

We need workers for the Candidates' Band of the Girls' Friendly Society.

It means one hour every Tuesday afternoon from four to five o'clock for eight months of the year. Did you say that you would be ready to assume responsibility? Then speak to Miss Eva Smythe. It is a splendid opportunity to erect a monument in the soul of many little girls that time has no power to erase.

This list, as you will probably see, is very unsatisfactory. But it is one of the most difficult things to get it correct. People move and do not give notice. Then, it is difficult to give the Christian names of the wives. Any mistakes, you may rest assured, have not been made because we have not done our best to avoid them.

Easter Day, 1923

My Dear Friends:—

On this Glad Easter Day we send you Greetings! The New Directory will come to you this year with few or any mistakes; this will be true so far as the List of names and addresses of our people are concerned. The Special Committee entrusted with this important matter, has done its best to secure a perfect List of Names and Addresses of all our people. But if by any chance a name should be omitted, it can scarcely be the fault of the Committee.

The Annual Meeting of the Parish on the Fourth Monday night in January was a great success, and should be a source of encouragement to all that have the best interests of St. Barnabas at heart. It was said that over Ninety people attended the Meeting. The spirit that pervaded the Meeting was very refreshing. Twenty-four names of Candidates for Vestrymen had been sent to the Secretary of the Vestry ten days before the Meeting; this is required by the terms of the Charter. Twelve Candidates were elected. During the counting of the Votes, the Rector presented a Financial Statement to the Contributors. Certain Items were stressed. The Statement made to the Meeting showed the Parish to be in a healthy financial condition.

After the Election of the Vestry, a Brief Social time ensued. Ice Cream and cake were served to the people present by members of the Girls' Friendly Society. The Meeting finally came to an end with the feeling that an Annual Meeting may be a very interesting event in the life of a Parish. We are certainly grateful to the people that attended for their ready response and interest.

Sunday Evening Service

May I call the attention of our people to the Sunday night Service. Mr. Gladstone was wont to make fun of people who went to Church only once on Sunday. He unblushingly said that he was a "Twicer". But if our people went only once to Church on Sunday, I am quite sure that the Sunday night Service would be better attended. At any rate, it is a little discouraging to the Rector and Choir not to have a larger Congregation Sunday nights. Am I asking too much when I ask that you take the Sunday night Service a little more seriously to heart. Instead of letting your Sunday company keep you from Church, why not come and bring them along with you. Every follower of Our Divine Saviour should feel that they have missed the mark at the end of the day unless they have been to Church, at least, Once. Let us make this a personal matter and think about it seriously. If we do that, I am sure the Sunday night Congregation will be much larger.

The Guilds, Parish Guild, Chancel Guild, and Woman's Auxiliary, have kept up their good work all through the year. The Officers of these Guilds are faithful and efficient and deserve the hearty co-operation of all our women. We cannot get along without these Organized efforts; they are a real factor in our Parish life. They do a work that would not be done if they did not exist. Let us all rally to their support.

The Proposed New Cement Sidewalk

Our good people have responded very generously to the appeal made last Fall for money with which to put in a much-needed Sidewalk in front of the Church, on Haverford Ave., and on the side, on 64th Street. We were wise to wait until the money was forth-coming for this purpose. By the time the weather is favorable to putting in the Sidewalk, the money for the same, we hope, will all be in the hands of the Treasurer, Mr. Frederick Jarvis. We need about \$30.00 to make up the \$600.00 for which we asked. The Sidewalk will greatly improve the appearance of the entire group of Buildings, and when it is all finished, I am sure that everybody that has Contributed to the Improvement will be glad that they had a part in it.

There are Three Improvements that should enlist our deepest concern: The Reredos, A Fine Window in the Sanctuary, and the Fixing up of the Basement. All this will give us something for which to work. But I do think that we ought to concentrate on One thing at a time. Toward the Reredos we have in Bank about \$400.00. If we can raise a little more, we can finish that. Would it not be well to get this out of the way before beginning to agitate for something else?

A Stainglass Window in the Sanctuary would cost about \$4000.00. It would be poor policy to put in a cheap one. In addition to this amount, we should need about \$1500.00 more to replace the wood frame with stone. This is a large amount of money for our people to raise.

The Basement of the Parish House

A general rough estimate of what it would cost to put the Basement into some sanitary and usable shape is over a thousand dollars. It ought to be fixed up in some way. In its present condition it is not only not usable but is unsanitary. It would be a fine thing if we could put it in good condition so that it could be used for Suppers, Social Gatherings and the Recreational use of the boys and girls.

Envelopes

We must emphasize the importance of Giving to the support of the Parish through the Envelopes. Last year we raised more money in this way than in any previous year; but we should do better, and we can. Some are Giving as much as we can reasonably expect in the Envelopes; but others are not doing what they can and should. The more Money raised by means of the Envelopes will make it less necessary to make extra appeals through other means. The Coal Books cannot be dispensed with until we get the money now raised by means of the Coal Books by extra Giving through the Envelopes. In a goodly number of our Parishes there is a Finance Committee whose business it is to send out every three months a statement to the ones in Arrears, calling their attention to the matter. This is only business. It does not seem to me that anybody could fairly object to this method. I is only a reminder to stimulate interest where it is wanting in the matter of keeping up the Envelopes Sunday after Sunday. And until some such a business plan is

put into active operation, there is bound to be more or less trouble in raising the necessary amount of money to meet current expenses.

Note:—Before arranging a Date for Suppers, Entertainments, Etc., be sure and consult the Property Committee so as to avoid all conflicts.

Easter Day, 1925—

My Dear Friends of St. Barnabas:—

We greet you on this Glad Easter Day! We hope that every high and Holy Spiritual Blessing may descend upon you on this Happy Easter Morning.

It is now two years since a Directory was issued. If there are mistakes in this, overlook it. None of us can claim perfection. But there will not be an intentional mistake. Any mistake may be as much the fault of others as of the one who gets out the Directory; for it is very difficult to keep up with all the changes of residence that constantly go on, unless people take the trouble to write it down and hand it to us. We want every one's name to go into the Directory if they desire it there.

We need a **Better, Bigger** and more Blessed St. Barnabas'. The way to bring that about is for each one to become Better, Bigger and more Blessed. The chain is no stronger than its weakest link. A parish is composed of individuals. If the Parish is fine and noble it is because the people who make up the Parish are all that. The cry on all sides to-day is for Quality of life more than Quantity. We may do something to improve conditions, but that does not mean that life itself is going to be steadily improved. The way to make a Better, Bigger and more blessed Parish is for all to go to work, all work all the time, all work together all the time with God. Such a condition as that would work a wonderful transformation in the individual, the Parish and the Community in which the Parish is located. Don't find fault, except with yourself. Don't criticise just to complain. Don't think that your way is the only one. One of the Preachers this Lent said, when a mule is kicking, it is a sure sign that he is not pulling. Don't make your own personal feelings a condition of working with God. It is more important for us to be on God's side than for God to be on our side. A lot of Episcopalians need to be Converted, for they seem to have lost interest in Church Attendance and in the cultivation of the Grace of God within them. Every Christian man and woman ought to feel below par at the close of Sunday if they have failed to be present in the House of the Lord on the Lord's Day to acknowledge the source of "Every good and perfect gift." Rest assured that as Christians we are not making our calling and election sure if we neglect the Worship of God on Sundays. All the things that tend to divert us, the things we feel are fine and pleasant, would not have been ours to enjoy to-day had it not been for the ones gone before.

ALMS

As you can see, the loose money on the Alms Basins the first Sunday of the month is very meager. All our people take Envelopes, or should do so, but all the money for The Poor of the Parish is what is put on the Alms Basin the first Sunday of each month. One good family always remembers to put a dollar on the Basin the first Sunday, but with that generous gift we average only about \$5.00 per month. That is not nearly enough to meet the needs of the Parish. I wish that our people could keep in mind the Loose Offering on the first Sunday of each month, and remember that the poor we have always with us. With a little thought about this matter, we might increase this amount considerably; and it needs sorely to be increased, if your Rector is to do this important work as your Almoner.

ENVELOPES

We still need to emphasize the importance of each person interested in the good work of the Parish taking Envelopes. Not what we have left over, but the "First fruits of our increase" should be set aside for the Lord and His work. Giving to the material support of the Church of the Living God, should be just as much a part of one's Christian life as Prayer, Praise, Worship and coming to the Holy Communion. If anything is true in this matter of giving this is true:—"There is he that scattereth and yet increaseth, and there is he that withholdeth and yet it tendeth to poverty." We preach the Glorious Gospel that people can be rich without money, but a Church cannot pay its Bills unless the people give that money. Let each member of the Congregation take Envelopes and give generously to the support of the Parish. If you value the Things of True Worth, you will not ask How Little but How Much you can give to the Church.

We trust that the Coal Envelope to be turned in on the first Sunday of each month, a new departure, will be kept in mind by our people. But five or ten cents in the Envelope will not raise the money needed for Coal. This is an expensive item of Expense in this Parish; for it takes

a lot of Coal to keep the Buildings warm in the cold weather. An account is kept of the amount each one gives month by month in the Coal Envelope and the ones who gave as much through the Coal Books will not be approached on the matter at the end of the year. But if the amount needed is not enough to pay for the Coal, then an effort should be made so that the ones who give very little will be approached to add to what they put in the Envelope. That can be the only way to raise the needed money for the Coal.

THE ENDOWMENT FUND OF ST. BARNABAS CHURCH

Under the Will of the late Mrs. Eleanor Ogilby, widow of one of the Ministers of this Parish, St. Barnabas' is the Beneficiary of Two Electric Texas Bonds of \$500.00 each. Mrs. Ogilby always had a tender regard for the people of St. Barnabas. Mrs. Ogilby died in the Hospital at Atlantic City, but her home was in Raleigh, N. C.

We shall now have in the Endowment Fund the sum of \$5,000.00, as follows: Norris Fund, \$1000.00; Cooper Fund, \$1000.00, Harriet Smiley Fund, \$1000.00, Amanda Humphries Fund, \$1000.00, and the Edward Ogilby Fund, \$1000.00. What our Parish needs is a much larger Endowment Fund. Our people might keep this Fund in mind and add to it, no matter how little, from time to time. An Endowment Fund of \$50,000.00 would insure the Perpetuity of the Parish of St. Barnabas Church; and we ought to have not less than that.

THE RECTORY

The Rectory is sadly in need of painting. Who will go to work and interest themselves in this matter sufficiently to devise some way for raising the money needed to do this work? It would be a fine thing if some Organization of the Parish would assume this obligation. It will cost about \$150.00. Church Property should be kept in the pink of condition. This Rectory is owned by the Church and every member ought to feel a pride in seeing that it is kept looking spick and span.

THE BASEMENT

As we all know the Basement has been in an unusable condition for a long time. And for the past three years it has gone from bad to worse, until it was becoming unsanitary, and something simply had to be done. We got up a spurt and tried to raise enough money to put it in first-class condition. At first we thought that about \$1500.00 would cover the cost of the repairs, including the fixing up of the old kitchen. Then we discovered that it would take not less than \$2500.00. Towards this amount in round figures we can say that we have \$1400.00. The Rector has secured a gift from one of the Diocesan Societies to the amount of \$500.00. But this must be the final payment. It is sure, only it must be the final amount on the total cost. So you see that we still need \$600.00 if we are to finish the Repairs. Which means that we shall have to raise \$600.00 in some way. We hope that everybody will be ready to work in a Fair of some kind in the Fall so that we can raise the remaining \$600.00 and put the Basement into an attractive and unusable condition. The Vestry and the Rector feel that too many people are finding fault that the Basement is not put into shape for the use of the boys and girls but these same people are not doing much about giving to make it possible. This is a matter that should concern every person really interested in the good work of the Parish and not just a part of the people. Don't find fault with the Vestry and Rector because this work is not done, but come forth with some constructive plan for completing the work, which means giving toward the object or helping to do something to raise the amount of money needed. When the Basement is finally finished, it will be an attractive place and most useful, but it is not going to get people to Heaven; people don't go that way. We go to heaven by doing God's will and walking in His Commandments, and by attending the means of Grace provided for fitting us not for some far-off land of Bliss, but for a fine, real heaven in our hearts here and now, as a preparation for the "Land of Pure Delight" hereafter. The Church is not a machine but a Fellowship, the Instrument of the Holy Spirit.

These Members of the Parish have passed away since the last issue of the Directory:—

Mrs. Ann Rollinson	Mrs. Ball
Miss Amanda Humphries	Mr. Thos. Barnard
Mrs. M. Frankenberger	Mrs. Turner
Mrs. Susan Herbert	Mr. Harry Philson
Mr. Matthew Walker	Mrs. Ann Cooper
Mrs. A. Leger	Mr. John Aspden
Mrs. Mercer	

Some of these persons were among the most faithful members St. Barnabas' ever had. I cannot get used to not seeing Mrs. Turner, Mrs. Cooper, Mrs. Rollinson, Mr. Walker, Mrs. S. Herbert and Mrs. Leger either at Church or in their homes. Shall we ever get anybody to take the place of good Mrs. Rollinson!!!

Thou art gone to the grave; We no longer behold thee,
Nor tread the rough paths of the world by thy side;
But the wide arms of mercy are spread to enfold thee,
And sinners may hope, for the Saviour hath died.

The following persons were presented to the Bishop to receive the laying on of Hands, Sunday, March the 29th:

Mrs. Helen I. Broecker	Olga Elias
Miss Martha Filler	Peral Leshor
Miss Grace Griffith	Joel Jarvis
Miss Hilad Williams	Albert S. Willey
Miss Florence Brown	Harold Johnson
